KODIAK PROPERTY MANAGEMENT AND AVANA RENTALS CREATE PARTNERSHIP TO STRENGTHEN RENTAL SERVICES

October 11, 2019

For Immediate Release

KODIAK Property Management (KODIAK), a Regina-based property management firm is excited to announce a new rental partnership with AVANA Rentals (AVANA). With both companies strongly believing in providing affordable rental housing and superb rental services, it's no wonder that this new venture evolved naturally between KODIAK and AVANA.

Effective November 1, 2019, all property management services for the 188 rental homes of AVANA will circulate through the office doors of KODIAK. AVANA still plans to continue and operate its rentals division under its given name as AVANA Rentals, however, it is enlisting and hiring KODIAK for its exceptional and trusted property management services.

"AVANA Rentals is thrilled to work with KODIAK Property Management. One of our top priorities at AVANA has always been to offer exceptional customer service to our tenants, and we feel that entrusting KODIAK with our Rental division is the best way to achieve this as we continue to grow." said Jennifer Denouden, President and CEO of AVANA Enterprises. "By working with KODIAK, we can continue to develop affordable housing and creating positive, meaningful social impact."

AVANA is currently involved with a new Social Housing Project which will provide 32 quality, affordable housing options to residents of Regina. The first 40 units of their affordable housing initiative was recently completed and is part of a larger scale initiative focused on providing secure and desirable homes, with a focus on helping Women and Children in the City of Regina.

"AVANA Rentals has already done an amazing job at building some affordable and comfortable rental homes within Regina, and KODIAK is so pleased and honoured that AVANA is entrusting KODIAK to provide that same level of property management services to its tenants." says Trent Fraser, CEO of KODIAK Group of Companies.
